6. Phase 2: Modification to Landscape Plan for oak tree installation along Village Green frontage
7. Public comment
8. Next Meeting Date:
  - a. Agenda Items Recommended by Committee
9. Adjournment

Minutes: April 7, 2006

1. The meeting was called to order at 9:05 AM.
2. Attendance was recorded by Staff.
3. The minutes of the February 3, 2005 meeting were approved.
4. Paul Abbott provided a status report on Phase 2. There was discussion regarding the Key Colony intersection. The Committee approved a plan which did not change the number of lanes but did extend the curbing, the South/North U-turn, and no pedestrian walkway at the North side of the intersection.
5. There was discussion regarding an electronic message board. The Committee denied a motion to approve the one that was presented. The Committee requested that staff return with a message board that was more appropriate to the Key. There was discussion that electronic message boards are not consistent with the image of a Village and of the Key.

6. Phase 3 drawings were presented. The Committee approved the drawings. Staff will provide comments to the engineer. The engineer presented conceptual drawings for the largest plazas. The Committee requested detailed drawings. The project will be paid with the .25 cent toll from the Causeway.

7. The next meeting was set for April 25, at 9:00 AM.

8. Respectively Submitted

Jud Kurlancheek, AICP, Director

Building, Zoning, and Planning Department
